

**BUILT FOR
RELIABILITY**
THE ENHANCED

Lower Ink Costs, Less Maintenance. Built for Reliability.

- 20% lower ink cartridge costs for lower cost per print
- White ink agitation feature for up to 60% reduction in ink waste
- Improved maintenance process helps improve efficiency
- Enlarged print area (up to 16" x 18") for greater versatility
- Interchangeable platens for printing on t-shirts, caps, hoodies, coasters & more
- Original Brother™ printhead technology

RoHS Compliant
GT-3 Series are compliant with the RoHS Directive (the restriction of the use of certain hazardous substances in electrical and electronic equipment) which came into effect in the EU in July 2006.
